

Confederation of Indian Industry (CII) has been playing a pioneering role in facilitating accelerated development of Infrastructure in India. Towards this one of the key initiatives of CII is Excon – Global Exhibition and Conferences on Construction Equipment & Technology. The core focus of the event in 2023 is on AatmaNirbhar Bharat and Sustainability.

Excon 2023, presently in its **12th edition** is scheduled to be held between **12 to 16 December 2023 at Bangalore International Exhibition Centre (BIEC), Bengaluru** and would feature more than 1400 companies from India and abroad including 6 Country Pavilions. Excon would cover 32, 00,000 Square feet of display area. The event will also feature a series of conferences focusing on Infrastructure, Components, AI, Construction, etc.

Excon 2023 is South Asia's largest event for Construction Equipment and will showcase the best of equipment and technology available for modern infrastructure creation. Enclosing the event brochure and past edition report for your reference.

Excon endeavours to

- Showcasing Technology & Innovation across the value chain of CE Industry across the world
- Infrastructure for Inclusive Growth Building Rural Connectivity
- Augment Road Building Capacity
- Build Ecologically Sustainable Infrastructure
- Promote India as a Global Manufacturing Hub and Outsourcing Destination
- Infrastructure for Urban renewal aimed at improving the quality of life.

I am writing to you with a request to encourage participation of Government officials, Business Chambers and other relevant stake holders to the Excon 2023.

I would also request you to plan a visit to the Excon 2023 in case your schedule permits to be in India during the period. The event will give you a strong insight on the developments happening in the sector in India and also engage with the leading players which we will be glad to facilitate.

We look forward your further kind advice please.

Regards,

Kaushlendra Sina
