Summit & Expo

Bharat Renewable Energy Summit & Expo 2026

RE-Invest | RE-Policy | RE-Manufacturing | RE-Technologies | RE-Supply chain

Invest • Innovate • Inspire

9th Session of the International Solar Alliance (ISA) Assembly

4th International Conference on Green Hydrogen (ICGH)

Dates & Venue

2-5 November 2026

Bharat Mandapam, New Delhi, India

H₂

Why Attend

Explore investment opportunities across renewable energy & green hydrogen

Build partnerships with governments, industry, and financial institutions

Connect with buyers and suppliers from across the world

Discover cutting-edge technologies and innovations

Gain Insights into future renewable energy trends, policies, and markets

Key Highlights

1 High-level Participation

Minister-level participation from 75+ countries, Chief Ministers of 20+ states, and 250+ High-level delegates

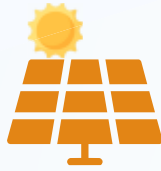

2 50+ Sessions

- Plenary discussions
- Technical sessions
- Policy & Regulatory Industry roundtables

3 Green Hydrogen Networking at ICGH 2026

- Production, storage, and utilization
- Global hydrogen ecosystem dialogues

4 Solar Diplomacy & Cooperation on the sidelines of ISA Assembly

- Global solar investment and market reports
- Thematic sessions

5 Mega Expo

- 400+ exhibitors
- 500+ speakers
- Buyer-Supplier & B2B Matchmaking Forum

6 50,000+ Participants Expected

- Networking and investment opportunities in the renewable energy sector

7 Solar Car Racing

Witness innovative solar-powered vehicles competing at the forefront of clean mobility.

Focus Areas

- **Solar Energy & Global Solar Markets**
- **Green Hydrogen & Emerging Fuels**
- **Distributed Renewable Energy (DRE)**
- **Digitalization & AI in Energy**
- **Wind & Hybrid Energy Systems**
- **Energy Storage & Grid Integration**
- **Clean Energy Manufacturing**
- **Investment & Green Financing**

The success of RE-INVEST 2024

- Over **25,000** delegates with **250+** speakers
- Participation from **360+** companies from across the world, facilitated **816 B2B** meetings and **110 B2G** meetings.
- Commitments from public and private sectors to add **570 GW** of renewable energy based installed capacity
- Investment commitments worth **Rs. 32.45 lakh crore** in India's renewable energy sector

Global outreach through the ICGH 2025

- Brought together 1200+ experts from across the world
- 30+ sessions on various thematic areas

Highlights of the ISA General Assembly 2025

- Minister-level participation from **30** Member countries
- **550** high-level delegates from **137** countries and **36** organizations
- Signing of the Global SIDS Initiative Declaration
- Introduction of ISA's Global Capability Centre and Academy for skills development
- Unveiling of the SUNRISE Community of Practice for circularity in solar and battery waste

Be a Part of the Global Clean Energy Movement and witness India's energy transition leadership

Join us in shaping the future of sustainable energy- for India and the world. Vasudhaiva Kutumbakam.
